

**PolicyWise**  
for Children & Families

## SAGE Final Report

### STUDY INFORMATION

**Primary Applicant:**

**E-Mail Address:**

**Project Title:**

### PROJECT SUMMARY

1. Provide a 1-paragraph summary of your project, including basic background information and results. This summary will be used to describe your project on the PolicyWise website and in annual results report. Summary should not exceed 500 words.

2. Please provide further details about any new knowledge and skills developed through the Secondary Data Use Grant.

3. Please discuss what are the implications of your project findings for policy and/or practice in the area of children, family and community well-being.

## SECONDARY DATA USE GRANT IMPACT AND CAPACITY BUILDING

The focus of this grant is to ensure that new ideas can be generated from existing datasets so that data are more fully utilized. Another focus of this grant is to build capacity and increase collaborative opportunities amongst researchers, community organizations, and policymakers to make the best use of these data.

1. Please discuss how the use of secondary data has impacted your research program.

2. Please provide detail on the number and level of trainees involved in the work supported by the Secondary Data Use Grant, regardless of whether they were paid from this grant.

3. PolicyWise is interested to know how you have shared the findings or outcomes of your work and with whom you have shared them. Please list below information for any presentations and publications that are a direct result of the work funded by the Secondary Data Use Grant.

4. Please list any other research outputs (reports, web sites, media, etc.) that are a direct result of the work funded by PolicyWise.

5. Please provide details of any additional funding received for this project, or for projects which are a result of the work completed through this grant.

**ADDITIONAL COMMENTS**

Please provide any comments you have about your experience with PolicyWise, such as support provided by staff, response time to requests for information, using and submitting forms, use of PolicyWise website.
